We play in the Long Island Junior Soccer League and are currently in the Division 1 bracket. We have received several sportsmanship awards and are division champions. Our team is organized by two hands-on coaches and a professional trainer. Our dues go directly to referee fees, training, tournaments and to improve our team.

We are looking for a few experienced soccer players that are looking to play on our established team. If you can't make the scheduled tryouts dates, please contact the coaches to make arrangements. For any additional information or questions, please contact Coach Steve at 631-767-3972 or Coach Pat at 631-394-4898.

****Our team is run independently and not affiliated with Island Stars or any other training program.****
